Jay,

I'm letting Brandi (cc'ed) handle the logistics. However, we're recommending the UF Hilton: <http://www3.hilton.com/en/hotels/florida/hilton-university-of-florida-conference-center-gainesville-GVNCCHF/index.html>. It's super close to my lab and would help with participant pickup/drop off. I'll see if Brandi can provide a few additional options, but we feel the Hilton is the best bet.

People can fly into JAX but we'd be unable to pick them up from there. They'd have to rent a car to get to Gainesville (1.5 hours away). We can pick up participants who fly into GNV. I'll chat with

Brandi about this more tomorrow to see if we can't get some specifics together.

Hi Jamie,

I have been getting a few questions about travel to the workshop. Are you planning to provide a few hotel options? Assuming if we can get a flight into Gainesville that is best but Jacksonville would be option 2?

Regards,

Jay
